

ICAR-Indian Veterinary Research Institute

Izatnagar, Bareilly -243 122

Advertisement Number: Employment News 14 -20 March 2020, EN50/9

Dated : 16/03/2020

### CORRIGENDUM

Due to unavoidable circumstances (as a precautionary measure to avoid COVID-19 contact), the walk-in-interview for the posts of one **Young Professional – II** and one **Unskilled Labour** purely on contractual basis in the SERB-DST funded project "Exploring the role of pyroptosis and elucidating the use of pyroptotic inhibitors to block proinflammatory cell death in chicken tracheal epithelial cells infected with infectious laryngotracheitis virus (ILTV)" under SERB-DST Core Research Grant, which was scheduled to be held on **26/03/2020** in the Division of Pathology, ICAR-Indian Veterinary Research Institute, Izatnagar, Bareilly – 243 122 **has been postponed until further notice**. The fresh date, time and venue of interview will be updated on the Institute's website. Interested candidates are requested to send their resume to [drpalvet@gmail.com](mailto:drpalvet@gmail.com) and keep checking the website <http://www.ivri.nic.in/> for further information about the fresh date of interview.
