

## World Youth Skills Day celebrated at ICAR-IVRI Izatnagar

Indian Veterinary Research Institute, Izatnagar (UP) celebrated WORLD YOUTH SKILLS DAY today by organizing training for 25 rural youth on vermicompost making and crop residue management in collaboration with Sehyogi Biotech, Bareilly. The Sehyogi Biotech, Bareilly is an agri-venture set up by Mr Prateek Bajaj, young entrepreneur trained and promoted by KVK, IVRI. The rural youth were given hands-on training on compost making and marketing at the vermi-compost production site of Sehyogi Biotech in Bareilly.
