

## **TEC-IVRI, Pune successfully concluded a training programme on Good Manufacturing Practices for Veterinary Biologicals at IVBP, Pune on 11<sup>th</sup> May 2022**

---

The Training and Education Centre, IVRI, Pune has successfully organized a six-day technical training programme on “Good Manufacturing Practices for Veterinary Biologicals” from 4<sup>th</sup> to 11<sup>th</sup> May 2022, in collaboration with Institute of Veterinary Biological Products (IVBP), Department of Animal Husbandry, Aundh, Pune (Maharashtra). Forty two participants from IVBP and Animal Disease Investigation Section (DIS) participated in the training.

*(Certificate distribution by the dignitaries to successful trainees of GMP training)*

The training was concluded on 11<sup>th</sup> May 2022 in the presence of Dr Shitalkumar Mukane, In-Charge, IVBP and Dr Kiran Bhilegaonkar, Station In-charge, TEC, IVRI Pune. Dr Mukane appreciated the efforts of TEC, IVRI Pune for successfully organizing GMP training at IVBP and covering all essential aspects of GMP in a professional manner. Dr Mukane and Dr Bhilegaonkar distributed certificates to the successful

participants and urged that the knowledge pertaining to GMP gained by the trainees would help them to produce quality products.

*(Dr Sanghratna Bahire, Course Coordinator, presented the progress report of training)*

Earlier on the day, Dr Sanghratna Bahire, Course coordinator, presented the proceedings of training programme and highlighted that training included basics to advanced lectures, via online and offline modes.

*(Dr Shitalkumar Mukane, In-Charge, IVBP addressed valedictory session)*

*(Feedback by a trainee for the GMP training)*

Through this training renowned experts from various institutes like IVRI (Pune, Bangalore, Mukteswar, Bareilly campuses), IAHV B (Bangalore), Ventry Biologicals (Pune) etc. were invited to share their knowledge and experience on GMP. In this training various topics such as the basic concepts of GMP, personal hygiene, clean room concept, cleaning and sanitation, basics of bacterial/viral vaccine processes, GMP of upstream and downstream process/storage/warehouse, bio-safety, record keeping, data integrity, complaints, corrective actions/preventive actions were professionally imparted to trainees.

Dr HP Aithal, Principal Scientist and Dr Amol Bhalerao, Scientist from TEC, IVRI Pune were also present for the valedictory session. Dr Anil Deshpande, Deputy Commissioner, QC, IVBP, Pune compered the valedictory session and also contributed to the successful conduction of the training programme. Finally, Dr Amol Bhalerao, co-coordinator of GMP training programme, proposed formal vote of thanks.
