Instructions for the students for filling up the choice for Research IVRI Campuses/ Regional Stations & ICAR Institutes

- The students have to give their preferences for Research IVRI Campuses/ Regional Stations and ICAR Institutes as per seat position mentioned in Annexure-I, II & III across the IVRI Campuses/Regional Stations and ICAR Institutes.
- The Research Campuses/ Regional Stations and ICAR Institutes will be allotted as per their rank in the ICAR AIEEA (PG) and AICE for JRF/SRF (PhD) Examination 2020 and availability of the seats.
- The students have to give their preference of choice for stream of research work in the discipline of Veterinary Microbiology (Streams - Veterinary Bacteriology, Veterinary Virology and Veterinary Immunology) and Veterinary Public Health & Epidemiology (Streams - Veterinary Public Health, Epidemiology). The streams in Veterinary Microbiology and Veterinary Public Health & Epidemiology will be allotted based on their rank and availability of seats.
- The format for choice of preference for IVRI Campuses/Regional Stations and ICAR Institutes and preference for streams in the disciplines of Veterinary Microbiology and Veterinary Public Health and Epidemiology have to be completed.
- One Sponsored (In-service) candidate shall be admitted in the MVS/PhD Programme which is included in each discipline as per Annexure-I & II.
- The reservation is applicable only in case of candidates admitted under open category and not under sponsored category.
