Dear Dr. Mohapatra,

I am writing to you seeking your advise and help in the following matters relating to Sriram Institute for Industrial Research(SRI).

1. Need a Director in any branch of Science and Technology with at least 15 years of experience in research and management. We can even take a retired scientist (60-62 years) on a contract basis.

2. Need some young professionals at various levels - Post Doc, Ph.D students, even retired personnel to be hired at various levels

Both in Engineering or/and Science and Technology.

Salary and other perks can be negotiated depending upon the qualification.

I would be most grateful for your kind help.

Best regards
Manju Sharma
