Circular

It is to inform that the forthcoming issue of the IVRI Newsletter (July 2019 to June 2020) is under compilation. It is requested to provide the soft copy of the information regarding key research achievements/activities of national importance/recognitions during the period July 2019 to June 2020. The following points may be kept in mind while sending the information for the Newsletter:

1. The key research achievements should be presented in minimum technical language with one or two good quality original photographs.
2. The institute is the point of focus and specific person linked information is not desirable (except in exceptionally high impact cases).
3. The information to be included in the Newsletter should come through Division after proper screening, editing and only very brief information not more than three lines for each activity and professionally captured photograph only are to be sent.
4. Award received from national and international agencies only should be forwarded. Any society award may not be forwarded please.

All the information please be sent to Dr. S. Ghosh, PS, Acting Head of Division of Parasitology and Member Secretary, IVRI, Newsletter at sghoshtick@gmail.com in MS Word format, font size 12, Times New Roman with single line spacing by 27th June 2020.
