Subject: Announcement: BHAVAN Fellowships in Building Energy Efficiency - 2020 Call  
To: energy.fellowship <energy.fellowship@indoustf.org>

Dear Sir/Maám,

Greetings from Indo-U.S. Science and Technology Forum (IUSSTF):

As you must be aware, to nurture future innovators and thought leaders in Building Energy Efficiency, the **Department of Science and Technology (DST), Govt. of India**, has partnered with the **Indo-US Science and Technology Forum (IUSSTF)** to announce the **Building Energy Efficiency Higher & Advanced Network (BHAVAN) Fellowships** - a dynamic and transformative program developed to nurture contacts between students and scientists from India and the United States.

The program will provide an opportunity to the best and brightest Indian students and scientists to gain exposure and access to world class research facilities in leading U.S. institutions to promote research and capacity building in the frontline area of Building Energy Efficiency/ Built Environment/ Habitat Energy Efficiency. It will pave the way for the next generation scientists and technologists from India to interact with American peers, thus helping to build long-term R&D linkages and collaborations.

The attached announcement flyer for the BHAVAN Program 2020 may be kindly circulated to all concerned in your institution. More information about the program is available on our website <https://www.iusstf.org/program/building-energy-efficiency-higher--advanced-network-fellowship>

**The application deadline is 30<sup>th</sup> November 2019.** If you have any questions, please contact us at [energy.fellowship@indoustf.org](mailto:energy.fellowship@indoustf.org).

We look forward to your support in facilitating great response to this call. We hope to receive suitable applications from your institution!

Thank you!

Best Regards

Subhashree
