The ICAR-National Academy of Agricultural Research Management (NAARM), Hyderabad announces its Training Programme on " Refresher Course on "Agricultural Research Management" October 06-17, 2017" at Hyderabad.

Background

Indian Council of Agricultural Research (ICAR), the apex organization of NARS, caters to the research, training and extension needs of the stakeholders through a network of research organizations spread across the length and breadth of the country. The recruitment policy of ICAR facilitates lateral entry of scientists from SAUs and other research organizations at Senior /Principal Scientist level. These new scientists, devoid of undergoing Foundation Course for Agricultural Research Service (FOCARS) training at the Academy, are supposedly have less exposure to the functioning of ICAR System. It was therefore, recommended in the National Consultation held in 2011, under the Chairmanship of the then Director General, ICAR, that these new entrants are required to be oriented and integrated to the research management process of ICAR. In pursuance of this, the National Academy of Agricultural Research Management (NAARM) has been organizing regularly refresher courses for such clientele. Continuing the trend NAARM is organizing a two-week refresher course on "Agricultural Research Management" during October 05-17, 2017 for directly recruited Senior / Principal Scientists who had not undergone FOCARS training at the Academy.

Objectives

- To broaden the research perspectives of directly recruited Senior / Principal Scientists
- To acquaint the participants with appropriate research management techniques and methodologies

Contents

- Research project formulation and reporting
- Project prioritization
- Technology forecasting
- Research impact assessment
- Participatory technology development
- IP management and commercialization
- HR skills such as personality profiling, team work, group dynamics, motivation, leadership etc.
- Information and communication management skills such as GIS, multimedia, SAS, open source software use etc.
- Research communication and presentation skills
- Administrative and financial management procedures

Programme Fee: Nil

Target Group

The programme is primarily targeted for the directly recruited Senior / Principal Scientists who had not undergone the Foundation Course for Agricultural Research Service (FOCARS)

training at the Academy. The total number of participants in the training programme will be 25.

Programme Dates, Duration and Last Date for receiving nominations

October 05-17, 2017, thirteen days. Participants should arrive by the evening of October 04, 2017 and plan to leave after 1700 h on Oct.17, 2017.

Last Date: October 1st 2017.

Board and Lodging

Residential. All participants are expected to stay in the well-furnished Halls of Residence or Scientists' Home on twin-sharing basis. The TA and DA, board and lodging charges have to be met by the participants, and will cost about Rs 500/day. Participants are requested not to bring any family members with them. Participants will have to make their return reservations before commencing their journey to ICAR-NAARM.

How to Apply?

Applicants are advised to fill the nomination form online after registration on Training Management Information System (<http://www.naarm.org.in/training>). Upload the filled, signed and scanned nomination form onto Training Management Information System or mail it to Academic Cell, NAARM (academiccell@naarm.ernet.in).

For programme specific queries if any, the interested participants may contact concerned Programme Directors.
