

Proceedings of XXV Meeting of the Extension Council of ICAR- IVRI, April 5, 2024

The XXV Meeting of the Extension Council of ICAR-IVRI was held on April 5, 2024 at 10.00 A.M. in hybrid mode in the Committee Room of Administrative block, ICAR-IVRI. The meeting started with the welcome address by Dr H R Meena, HD (EE) & Member Secretary, Extension Council. Dr Triveni Dutt, Director, ICAR-IVRI chaired the session. Dr Triveni Dutt, Director, ICAR-IVRI welcomed the chief guest Dr U S Gautam, DDG (Agricultural Extension), ICAR, New Delhi and invited him for opening remarks on extension council meeting. DDG (Agril Extension) emphasized that country have vast network of Krishi Vigyan Kendra's (KVKs) and Agricultural Technology Application Research Institutes (ATARIs) and this network can be exploited for faster transfer of proven technologies among ultimate users. The Director, ICAR-IVRI in his introductory remarks emphasized that extension council meet is an important forum of the institute where we can review the last year activities and accordingly, we can plan roadmap for future extension activities of the institute. National Extension Plan of the ICAR-IVRI 2023-24 was meticulously planned and implemented. ICAR-IVRI is serving the nation since last more than 136 years and now time has come to transfer its deemed university status and make it full-fledged global reputed university. Interface meet should be organized regularly for enhancing visibility of technologies developed by ICAR-IVRI. More concentrated efforts are required to transfer ICAR-IVRI technologies among poorest of poor farmers so that they can enhance their income. We have to create awareness among farmers about flagship schemes of Govt. of India viz, MGMG, UBA, SCSP, TSP, NEH etc. so that farmers can be benefitted by these schemes. He further pointed out that dissemination of scientific package of practices developed by ICAR-IVRI is very poor among farmers and industries and impact of technologies developed by institute is still not documented. Further, he stresses upon that scientist of institutes are not fully involved in National Extension Plan 2023-24 developed by institute and urged that scientists should perform as per expectations of National Extension Plan 2024-25 for better visibility of institute. He also recommended that we should revisit and reorient our targets and devise our technologies that have better social connectedness as per nation expectations. The Member Secretary of Extension Council, presented the ATR on the issues/ recommendations of 24th meeting of Extension Council of ICAR-IVRI. The different extension activities carried out by the institute and its regional centre's during 2023-24 were presented by Dr Rupasi Tiwari, Joint Director, Extension Education (JDEE) and reviewed by the Members of the Extension Council of ICAR-IVRI. Also, the action plan for 2024-25 was decided in the meeting attended by 41
