Training and Education Centre, IVRI Pune

We are glad to share that registrations are now open for the training program on "Developing Core Competence for Strengthening Veterinary Extension Services." Led by experienced faculty members from ICAR-IVRI and other esteemed institutes, this course is designed to empower Scientists, Faculties of (SVUs/SAUs/CAUs) Technical Officers of ICAR, Subject Matter Specialists of KVKs, Livestock Development Officers, and Extension Professionals working in the Veterinary, Agriculture and allied sectors.

In addition, Students, Research Associates, SRFs, and individuals in veterinary and allied extension education disciplines are also encouraged to participate and gain valuable insights.

This course is completely free of charge, but participants must attend all sessions, fill out feedback forms, submit assignments, and pass the quiz on the final day to receive e-certificates. Seats are limited, so don't miss out on this opportunity to enhance your skills and advance your career in veterinary extension services. Register now to secure your spot !!!
