

Educational Exposure Visit of Government Inter College, Bhatelia of Nainital District of Uttarakhand to ICAR-IVRI Mukteswar Campus on 13-03-2023

Fifty-two students of GGIC, Bhatelia of Nainital District, Uttarakhand visited ICAR-IVRI Mukteswar Campus on an educational tour on 13-03-2023 accompanied by their teachers. The students were apprised of the history, achievements, library, laboratories, current research works and the global significance of the campus. Further, the students were educated about the significance of ICAR-IVRI Mukteswar's research on animal diseases and production. Dr. Amir Kumar Samal and Dr. Deepika Bisht (Scientists) coordinated the exposure visit.
