

**ICAR- Indian Veterinary Research Institute Organized Swachhata Hi Sewa (SHS) program with on 01 October, 2023**

ICAR-Indian Veterinary Research Institute, Bengaluru campus organized a Shramdaan for Swachhata event on Sunday, the 1<sup>st</sup> October 2023 at 09.45AM. The scientists/officials, staff of the institute participated in the Shramdaan. To begin with, Joint Director, IVRI Bengaluru administered the Swachhata Pledge to all and motivated them to dedicate themselves to ensuring the cleaner campus. The participants took a pledge to clean their workplace, homes, public places and surroundings. Following the pledge ceremony, One-hour cleanliness drive within IVRI campus was undertaken, by participating scientists, staff and students. Areas in front of Joint Director's office, vehicle parking lot and road adjoining the ADRC campus were cleaned, lifted plastic and paper waste.

Staff welfare club arranged for snacks and tea for the participants after the cleanliness drive.
