

ICAR-IVRI Mukteswar Organized an “Animal Health Camp” Programme at Lamkot Village of Lamgada Block of Almora District on 26-05-2023

ICAR-IVRI Mukteswar Organized an “Animal Health Camp” at Lamkot Village of Lamgada Block of Almora District on 26-05-2023 under AICRP on Goats. Forty-four farmers took part in the animal health camp where more than 500 of their farm animals received veterinary aids. The farmers were demonstrated about the various methods of detection of common ailments of farm animals and their remedies as well as about various ways of administration of medicines to the animals. Dr. Indrasen Chauhan and Dr. Amir Kumar Samal (Scientists) organized the programme and were assisted by Mr. Girish.
