

Educational Exposure Visit of Students of Government Model Inter College, Okhlakanda, Nainital and Government Higher Secondary School, Jarapani Nainital to ICAR-IVRI Mukteswar Campus on 27-04-2023

Seventy-three (73) students and six (6) teachers of Government Model Inter College, Okhlakanda, Nainital and seventeen (17) students and two (2) teachers of Government Higher Secondary School, Jarapani Nainital paid their educational exposure visit to ICAR-IVRI Mukteswar Campus on 27-04-2023. The students visited the museum, library, various laboratories, few monumental facilities, and various laboratories of the campus. The students learnt about the history, achievements, research works and extension activities of the campus. The students were also informed about the career prospects in veterinary sciences and animal husbandry in the country.

Dr. Amir Kumar Samal (Scientist) and Dr. Amol Gurav (Scientist) guided the students during their visit.
