

## TEC-IVRI Pune successfully organised training programme on 'Academic and Scientific Manuscript Writing Skills' in Collaboration with ICAR-CIFE, Mumbai during 4-6 Oct. 2023

---

"One cannot write a strong paper with the weak sentences" was the key theme of recently concluded training programme on **Academic and Scientific Manuscript Writing Skills** held on 4<sup>th</sup> and 5<sup>th</sup> October 2023 at ICAR-Central Fisheries Education institute. This collaborative training programme was organized by the Division of Aquaculture, ICAR Central Fisheries Education institute in collaboration with Training and Education Center, ICAR-IVRI Pune for their master and doctoral research scholars. Forty research scholars from the different divisions of ICAR-CIFE actively attended the training.

*(A snap of trainees with Hon'ble Director ICAR-CIFE, Mumbai on 5<sup>th</sup> October 2023)*

The programme was commenced on 4<sup>th</sup> of October 2023, in the presence of Dr Debajit Sarma, Principal Scientist and Head, Division of Aquaculture, ICAR-CIFE Mumbai. He urged participants to actively attend the training and utilize the learnings for writing Master / Doctoral thesis as well as to speed up manuscript publication. Dr Amol K Bhalerao, Scientist (Agril. Extension), Training and Education Center, ICAR-IVRI Pune acted as a resource person of the training. The training programme was coordinated by Dr Madhuri Pathak, Scientist, Division of Aquaculture, ICAR-CIFE Mumbai.

In this interactive programme the fundamentals of manuscript writing were covered wherein special emphasis was laid on sentence formation for clarity, logical paragraph writing techniques, writing for smooth transition and easy comprehension, systematic arrangement

and writing of manuscript sections (such as material and methods, results, discussion, conclusion, introduction, conclusion, and abstract etc.). Along with theory, two practical hands on exercises were also conducted.
