

Interaction and feedback session with First Batch Students of Post graduate Diploma in One Health, ICAR-IVRI

An interaction session was held between the students of PGD-One Health and Dr. S.K. Mendiratta, Joint Director (Academics), PG Diploma Coordinator, Dr Abhishek and Head, VPH, Dr Bablu Kumar on 11.4.2025 at Division of VPH, ICAR-IVRI. The Course coordinator of PGD-One Health, Dr Himani Dhanze and faculty of VPE, Dr Suman and Dr Vinodh were present during the program. The primary objectives of the program were to enhance understanding, foster engagement, and to take the feedback of PGD students for further improvement in the execution of the course. Dr. Mendiratta, other officials, and faculty of VPE were engaged in a fruitful discussion with the students underscoring the commitment for collaborative learning and research excellence in veterinary public health. PGD One Health students belonging to 7 states across India, actively participated in the discussion, sharing insights from their coursework and practical experiences. Feedback sessions allowed students to express their perspectives on areas where collaboration with IVRI could be strengthened with their respective state Animal Husbandry Departments where they are serving as Veterinary Officials in various capacities. The interaction concluded on a positive note, with a commitment from both parties to continue fostering partnerships in advancing One Health goals. The insights gained from this session will contribute in enriching the academic experience of PGD One Health students and strengthening IVRI's role in the field of Veterinary education through collaborative efforts.
