

# Teachers' Day Celebration at ICAR- IVRI, Bengaluru

05<sup>TH</sup> SEPTEMBER, 2023

Bengaluru, Karnataka, India

Teachers' Day was celebrated on September 5, 2023 at Bengaluru campus by students with the participation of all the scientists from various disciplines including Joint Director Dr Pallab Chaudari. The event started with a welcome note by students that honored the teachings and achievements of Dr Sarvepalli Radhakrishnan, and followed by a prayer song. Later, the students addressed the importance and impact of teachers by a slokh and song. As the event progressed the scientists participated in specially activities such as "The ELISA Champion" (fastest to fill the 96 well plate), "Tip Box Champion" (first to fill the tip box) and another task-based event "Pass the Roller" in which all the scientists got involved with enthusiasm. The event concluded with a closing remark from the Joint Director, and Vote of thanks song by the students. The Scientists thanked students for organizing the whole event.
