Standard Operating Procedure (SOP) for Students reporting back to ICAR-IVRI, Izatnagar Campus

Generic Preventive Measures:

The generic preventive measures include simple public health measures that are to be followed to reduce the risk of COVID-19. These measures need to be observed by all (faculty, employees, students and visitors) in these places at all times.

These include:

1. Physical distancing of at least 6 feet to be followed as far as feasible.
2. Mandatory use of face covers/masks.
3. Frequent hand washing with soap (for at least 40-60 seconds) even when hands are not visibly dirty. Use of alcohol-based hand sanitizers (for at least 20 seconds) wherever hand wash is not feasible.
4. Respiratory etiquettes to be strictly followed. This involves strict practice of covering one's mouth and nose while coughing/sneezing with a tissue/handkerchief/flexed elbow and disposing off used tissues properly.
5. Self-monitoring of health by all and reporting any illness at the earliest.
6. Spitting is strictly prohibited.
7. Installation & use of Aarogya Setu App wherever feasible.
8. Frequent sanitization of entire workplace, common facilities and all points which come into human contact ie. Door handles etc. will be ensured, including between shifts.
9. All person-in-charge of work places will ensure adequate distance between workers, adequate gaps between shifts, staggering of lunch-break of staff, etc.

Before opening up of the institute

a) Planning of reopening of institute:

- i. Students living in containment zones will not be allowed to attend the Institute.
- ii. Prior to resumption of activities, all work areas intended for doctoral courses and post graduate studies including hostels, laboratories, other common utility areas shall be sanitized with 1% sodium hypochlorite solution, with particular attention to frequently touched surfaces.
- iii. Wherever equipments are envisaged to be utilized, place the equipment 6 feet apart, wherever feasible, to facilitate physical distancing. Similarly, utilize any outdoor space by relocating equipment outside like in verandah, courtyard, shed, etc.
- iv. Arrangements for contactless attendance may be made.
- v. For ensuring queue management, inside and outside the premises, specific markings on the floor with a gap of 6 feet may be made and be adhered to.
- vi. The institute will display State helpline numbers and also numbers of local health authorities etc. at all public places so to contact in case of any emergency.
- vii. The institute will arrange a counter for rapid antigen test for COVID-19 by contacting local authorities.
- viii. For air-conditioning/ventilation, the guidelines of CPWD shall be followed, which emphasizes that the temperature setting of all air conditioning devices should be in the range of 24-30°C, relative humidity should be in the range of 40-70%, intake of fresh air should be as much as possible and cross ventilation should be there.

b) Planning and scheduling of activities:

- i. The day-wise, time-wise scheduling of laboratory/ experimental activities may be done in a staggered manner so as to avoid overcrowding at any one location on any day.
- ii. For practical activities in laboratories a maximum capacity per session based on redesigned space may be planned and scheduled, accordingly.
- iii. All employees who are at higher risk i.e., older employees, pregnant employees and employees who have underlying medical conditions to take extra precautions. They should preferably not be exposed to any front-line work requiring direct contact with the students.

c) Pre-requisites for Re-joining Institute:

- i. **Every student must fill up and submit the on-line “Stay/ Travel History Form& Undertaking by Student and Parent”** (available at Institute’s website, www.ivri.nic.in) before travelling to the institute before **30.08.2021** on quarantine.ivri@gmail.com.
