Cc: Abhishek Choudhary <abhishek.choudhary@vetic.in>, Kundan Chaudhary <kundan@vetic.in>

Good morning Dr. Abhishek,

Greetings from Vetic!

Following our recent conversation, I'm writing to formally propose a **recruitment drive for IVRI postgraduate students**, particularly those specializing in **clinical subjects**- Surgery, Medicine and Gynaecology.

As a Deemed University of national repute, IVRI has consistently produced exceptional veterinary professionals. We had the privilege of conducting an on-campus recruitment drive at IVRI last year with your kind support and we were truly impressed with the quality of candidates.

This year as well, we are keen to collaborate and organize a similar recruitment initiative- **either on-campus or virtually**, depending on your convenience and institutional guidelines.

We currently have **openings in Delhi and Mumbai clinics** and are specifically looking for **PG candidates in clinical streams** (Veterinary Surgery, Medicine and Gynaecology).

We would be grateful for your guidance on the next steps to initiate the process.

Looking forward to hearing from you.

Warm regards
Dr. Amandeep Gulia
Vetic
